Hi Nick,

I apologize for the late notice, but Hannah was just pulled into a client meeting today at 3:30 that she has to attend.

Can we please reschedule this for another time?

Please let me know some good dates for you and I will coordinate for you guys!

Thank you so much for understanding.

Hi Nick,

My apologies on the back and forth here with times and dates.

I just spoke to Hannah and here is what she thinks for **4/17**:

She can't do 1:30-2:30 because she has another meeting downtown during that time slot.

However, she can do lunch from **12:30 - 1:45**.

Or, she can meet **3:30 -5:00**.

Please let me know which of those 2 options you prefer please!

Thank you!
